Dear Friends,

The barrels of fruit and vegetables arrived a short time ago and we truly do thank you for all the good things that were in them. We truly have been having a feast since they arrived. I am sure you have some splendid cooks in your group.

I am enclosing a voucher for the barrels and a few leaflets which will tell you about our work here. If you have never stopped to visit this institution, I do hope you will some time this summer when you are driving to St. Louis, or make a special trip. We like folks to see with whom they share.

May God continue to bless you as you serve Him.

Your friend and co-worker,
Lillie R. Sheffer

Dear Secretaries of Supply Work:

Greetings to all supply secretaries--both the new and the old! The first quarter of the new year is nearly ended and it's time for reports again. Please send in your report blanks whether you have anything to report or not because each society is to be awarded a Merit Award if they report each quarter and have done some home and some foreign work during the year. We suggest to try to do some Supply Work each quarter. Have your treasurer send in your Supply Work (supplies or cash) the same time she sends in her quarterly pledge money. This will save our District Treas., Mrs. Davis, book-work--which will make her happy. Don't forget--that first report is due September 1.

The askings for the year are more than last year, but let's each try to do our share in giving--be it large or small. Remember how much our missionaries are giving and what they are accomplishing in helping people to know the Christian way of life--both at home and abroad. We should be willing to give a few of our dollars to help buy necessary equipment and supplies for schools and homes, medical equipment, etc. Let's not forget to pray earnestly for our Missionaries that are sacrificing so much.

Do you recall the story of Peter, James, and John when they fished all night and caught nothing? They rowed to shore and began washing their nets. Then Jesus came by and asked them what they had caught. They said, "Nothing." He replied, "Launch out into the deep and let down your nets." Something about Him and His words made them do it and they became His disciples. Jesus tells us today: "Launch out into the deep." So as supply secretary in your Woman's Society of Christian Service--"Launch out into the deep." Expect your Society to fill all the askings this year and they will not disappoint you.

I am looking forward to meeting each and every supply secretary this fall in our District Meetings. They are to be held at Farina on Sept. 25, Clay City Sept. 26, Altamont Oct. 2, and Palestine on Oct. 3. I am expecting to see each one of you at one of these meetings--so don't let me down!

Yours in His Service,

Mrs. Joe Wood
