**REQUIREMENTS FOR LOCAL STUDY CLASSES RECEIVING
RECOGNITION FROM THE
WOMAN'S SOCIETY OF CHRISTIAN SERVICE**

- I. THE TEXTBOOK used in Jurisdiction Classes must be selected from the list recommended for that purpose by the Woman's Division of Christian Service during the present or past quadrennium.
- II. SUPPLEMENTARY MATERIAL, including at least one reference book from the supplementary list recommended by the Woman's Division, must be used by members of the class as directed by the teacher.
- III. NUMBER OF CLASS SESSIONS shall be at least four. No two sessions shall be on the same day.
- IV. LENGTH OF CLASS SESSION shall be at least one hour for a six-session study and one hour and a half for a four-session study, with a minimum total of six hours for any course. A class session shall be interpreted as time spent in actual class work exclusive of any business or worship not directed by the teacher of the class.
- V. AN AVERAGE of 70 percent of the class must attend the class sessions. (*The percentage attendance is computed at the close of the last class session as follows: (1) Find the total attendance of enrolled members for the number of sessions held. (2) Divide the above total by the total attendance had it been perfect. (3) The result is the average attendance.*)
- VI. ONE TO TEN WEEKS may be used for the study, but a four to six weeks' study is highly desirable. (The minimum time for any class session shall be one hour.)
- VII. STUDENTS MUST READ THE APPROVED TEXT and participate in class work. In addition to this, assignments shall be given each member by the teacher. These assignments may be reading from supplementary materials, research or cooperative activities that require additional outside preparation. This and some results of the study may be reported on an additional sheet. (*See free leaflet, "Study and Action," for the current year.*)
- VIII. A VARIETY OF METHODS is desirable in conducting a study class. The discussion method is recommended as most successful in stimulating group study and participation. The lecture method used exclusively is not recommended. (*See free leaflets: "Ways of Conducting Study Classes" and "Questions and Answers on Missionary Education."*)
- IX. THE TEACHER shall be qualified for the work by consecration to the task, teaching ability, and by a willingness to use every opportunity for becoming a better trained and experienced teacher, such as *special study and preparation, attending pastors' schools, Christian workers' schools, training courses, schools of missions, educational seminars.*
- X. A REPORT of the class must be made to the conference Secretary of Missionary Education and Service on this blank furnished by her. She shall examine it, and if requirements are met, she shall report to the jurisdiction Secretary of Missionary Education who will issue a recognition card for work meeting the required standard. Recognition cards will be sent by the jurisdiction secretary to the conference Secretary of Missionary Education and Service.

Both sides of this report blank should be read *before* the class begins its study. Plan to meet requirements *without asking that exceptions be made*. Fill out each item on reverse side *completely and accurately immediately* upon completion of the course and return to conference Secretary of Missionary Education and Service.

Dear Mrs Meyer: -

Attached is the report
of our mission study class made out
for Pleasant Year. which you should
sign if you dont have a Secretary of
Missionary Education and put your office
undurnath your name - then send the
original to Mrs V. C. Buchanan, 401
Lincoln Drive, Lawrenceville, Ill.

Altho there were only
four ladies ^{from your church} took the study - it is very
rewarding that they came every night
which made an average of 100% attendance.

This would be good to include in your
scrap book or book of minutes.

Yours truly

Agnes Bee
