Whereas, pursuant to Ordinance #111, C.E. Hull of Salem, Ills. has constructed and for a number of years has inadequately & improperly maintained a system of telephones upon the streets & alleys of the City of Kinmundy!

And Whereas the said C.E. Hull has for a considerable length of time wholly neglected to keep said system in repair and has allowed and permitted the same to become disused and neglected:

And whereas many poles constituting said system are broken thereby causing the wires fastened thereto fall across the public streets & alleys of said city and upon the buildings of citizens of said City thereby endangering life and property.

And whereas many of said wires have fallen upon the wires of the Kinmundy Municipal Electric Lighting System thereby endangering said system and the property of said citizens of said city.

And Whereas said system is now so neglected as to become a public danger to the lives and property of the citizens of this city

Be it therefore Resolved by the City Council of the City of Kinmundy

That the Street and Alley Committee of the City Council be and they are hereby instructed to notify the said C.E. Hull that the wires and poles of said telephone system must be put in such condition as not to be dangerous either to the property or lives of the citizens of Kinmundy, within a short day to be fixed by said Committee and in the event of his failure so to do, the said City of Kinmundy will under the provisions of said Ordinance cause the same to be put in a safe condition and will charge the expense thereof to the said C.E. Hull and recover the cost thereof in the manner provided by said Ordinance.

Whereas the Coal mine, now owned by the Salem National Bank, located just outside the limits of the City of Kinmundy has not been operated for over three years and the main shafts thereof has been allowed by its owner to remain open, uncovered, unfenced, in violation of law for said period of time

And whereas the buildings located near said shaft have become delapidated and neglected and have become the resort of tramps, gypsies and other undesirable persons:

And whereas it has become to the knowledge of the members of the City Council that property has already been destroyed by reckless persons by being thrown into said shaft.

And because of the menace to the public traveling the public highway immediately west of said shaft in the night time

Be it considered, resolved and ordered by the said City Council that the City Clerk be and is hereby directed to notify the present owner of said shaft to properly and securely close the same within thirty days of this date and that in the event of their refusal or failure to do that the City Attorney will be instructed to begin proceedings against said owner under the law for recovery of the penalty provided.

Council met in special session on monday evening Feb. 13 - 1911 with Mayor Arnold presiding.
Aldermen present Neil, Williams, Knotch, Faulkner, Ingram, Bromley.
The object of the meeting was to consider the complaint filed by Walter George against M.P. Gramley for using slaughter house on the north part of Lot #62 in Assessors addition to Kinmundy.
The following complaint was read:-

To the Honorable Mayor and City Council of the City of Kinmundy.

The undersigned, most humbly complaining, respectfully represents your honorable body that he is the owner in fee simple of Lot #62 of the out lots or Assessors Addition to the City of Kinmundy, except one (1) acre in the north east corner which is owned by M.P. Gramley; that the said M.P. Gramley has erected on said 1 acre tract a slaughter house, without first having obtained the permission of your honorable body so to do and has been using same for the purpose of slaughtering cattle, sheep and swine for many months last passed; that the said business is carried on within 300 feet of complainants residence and within a few feet of the public street north of complainants residence; that your complainant and Grant Hensley the lessee of M.P. Gramley, had an understanding that he would not use the said slaughter house for that purpose beyond the 1st day of January, 1911, but the said M.P. Gramley has permitted the said Grant Hensley to violate said agreement, is still using the slaughter house and slaughtering therein, either by himself, his agent or his lessee and announces his intention to continue to use same for the purposes aforesaid.
Complainant represents that said slaughter house is a nuisance, is offensive and dangerous to the health of him and his family and by reason of its proximity to the said street and is a continuing nuisance to those traveling upon said street in frightening horses.
Complainant would therefore respectfully request that your honorable body take such proceedings in the premises as you may find to be just and proper.

Respectfully submitted,
Walter George.

Moved and seconded that the city attorney be instructed to prepare notice founded on the complaint filed and place same in the hands of the City Marshal to serve on M. P. Gramley and cause to vacate the using of the said slaughter-house within ten days or they will be prosecuted under Ordinance # 4 of the City of Kinmundy. Yeas 6.

Meh. 7th 16 meeting - Continued -

City of Kinmundy under the motion passed on February 7th 1916, beg leave to report that we have investigated several different makes of chemical engines and have determined that a chemical engine containing two cylinders of sufficient capacity to suit the requirements of the City can not be purchased for the reason that it could not be transported over our narrow sidewalks to all parts of the City.

We further report that we have found the American-La France chemical engine to be the best for our use and we heartily recommend to the City Council that the City purchase a chemical engine of such size as to be easily drawn over any of the sidewalks in our City and we therefore further recommend that we be authorized by the City Council to purchase the same -

Signed - James T. Brown
Geo. R. Haworth.
Roy E. Filson.

Moved & seconded that the report be received, adopted and recommendation be concurred in.

Mr. George W. Spelling –
Alderman Third Ward, City –
Dear Sir:

Answering your verbal inquiry of this day concerning the legality of the action of the City Council of Kinmundy in authorizing the conveyance of a strip of land off of the East side of the Cemetery for a road, my reply is:

Based upon the following statement of facts: That the City Council, by a majority vote, on motion, duly made and carried, instructed the Mayor and Clerk of the City to execute a deed to H. A. Brown conveying to him, for the consideration of $200 a strip of land twelve feet wide off the East side of the Cemetery.

My unconditional and unqualified answer is: that the above action of the City Council is null and void and contrary to the plain provisions of the Statute.

The Act of the Legislature to authorize Cities and Villages to convey real and personal estate not necessary, etc, passed March 22nd, 1889 and in force July 1st 1889 provides as follows:

That any city or village which shall have acquired or hold any real or personal estate for any purpose whatever, is hereby authorized and empowered by Ordinance passed by three-fourths of the members of the City Council or Board of Trustees, at any regular or special meeting called for such purpose, to sell such property, when the same shall in the opinion of such majority be no longer necessary, appropriate or required for the use

of such City, or profitable to, or its longer retention be not for the best interest of, such City.

The second section of the act provides that Before Any Sale shall be made under or by virtue of any such ordinance, such ordinance and proposal to sell Shall Be Published in one of its weekly papers for a period of not less than Sixty Days - Such notice shall contain an accurate description of the property, the purpose for which it is used, and at what meeting the bids will be considered and opened, and shall advertise for Sixty Days for Bids therefore. All such bids shall be opened only at a Regular Meeting, and shall be accepted only upon a vote of three-fourths of members of the City Council -

The Third section of the act provides that after any bid has been accepted and the money paid or secured, the Mayor and City Clerk shall make the deed of Conveyance.

Unless the provisions of the above Statute are observed, the action of the Council, or any deed of conveyance made in pursuance thereof is a nullity and does not divest the City of its title -

Respectfully -

Earl C. Huggins
City Attorney -

Resolutions

Whereas Death has entered our door- and claimed one of our most Efficient members.- Floyd F Pruett- our Worthy City Clerk.-

Therefore be it resolved that in the passing of this our esteemed Co-Worker. we feel the loss most keenly-
To say the least- he was honest- capable- and most worthy of the trust bestowed upon him by his constituents- was kind affable and agreable at all times-

We duply sympathize with his family in this sad hour- and assure them that we as a City Council share with them in this great loss.-

That these Resolutions be spread upon the Records of the City Council as a Memorial to the Memory of our Worthy Brother
